CAUTION: Federal law and state law on the possession of weapons and firearms differ. If you are prohibited by federal law from possessing a weapon or a firearm, you may be prosecuted in federal court. A state permit is not a defense to a federal prosecution.

The sheriff shall require any person who is applying for original issuance of a license to submit his fingerprints in addition to the other information required in this subsection. Within five (5) days after the filing of an application, the sheriff shall forward the application and fingerprints to the Idaho state police for a records check of state and national files. The Idaho state police shall conduct a national fingerprint-based records check and return the results to the sheriff within seventy-five (75) days. The sheriff shall not issue a license before receiving the results of the records check and must deny a license if the applicant is disqualified under any of the criteria listed in paragraphs (a) through (n) of this subsection.

The license will be in a form substantially similar to that of the Idaho driver's license. It will bear the signature, name, address, date of birth, picture of the licensee, expiration date and the driver's license number or state identification card number of the licensee if used for identification in applying for the license. Upon issuing a license under the provisions of this section, the sheriff will notify the Idaho state police on a form or in a manner prescribed by the state police. Information relating to an applicant or licensee received or maintained pursuant to this section by the sheriff or Idaho state police is confidential and exempt from disclosure under section 9-338, Idaho Code.

(2) The fee for original issuance of a license shall be twenty dollars (\$20.00) paid to the sheriff for the purpose of enforcing the provisions of this chapter. The sheriff may collect any additional fees necessary to cover the cost of processing fingerprints lawfully required by any state or federal agency or department, and the cost of materials for the license lawfully required by any state agency or department, which costs shall be paid to the state.

(3) The fee for renewal of the license shall be fifteen dollars (\$ 15.00). The sheriff may collect any additional fees necessary to cover the processing costs lawfully required by any state or federal agency or department, and the cost of materials for the license lawfully required by any state agency or department, which costs shall be paid to the state. If a licensee applying for

renewal has not previously been required to submit fingerprints, the sheriff shall require the licensee to do so and may collect any additional fees necessary to cover the cost of processing fingerprints lawfully required by any state or federal agency or department.

(4) Every license that is not, as provided by law, suspended, revoked or disqualified in this state shall be renewable at any time during the ninety (90) day period before its expiration or within ninety (90) days after the expiration date. Renewal notices shall be mailed out ninety (90) days prior to the expiration date of the license. The sheriff shall require the licensee applying for renewal to complete an application. The sheriff shall submit the application to the Idaho state police for a records check of state and national databases. The Idaho state police shall conduct the records check and return the results to the sheriff within thirty (30) days. A licensee renewing ninety-one (91) days or more after the expiration date of the license shall pay a late renewal penalty of ten dollars (\$10.00) in addition to the renewal fee, except that any licensee serving on active duty in the armed forces of the United States during the renewal period shall not be required to pay a late renewal penalty upon renewing ninety-one (91) days or more after the expiration date of the license.. The fee shall be paid to the sheriff for the purpose of enforcing the provisions of this chapter.

(6) A city, county or other political subdivision of this state shall not modify the requirements of this section, nor may a political subdivision ask the applicant to voluntarily submit any information not required in this section. A civil action may be brought to enjoin a wrongful refusal to issue a license or a wrongful modification of the requirements of this section. The civil action may be brought in the county in which the application was made or in Ada county at the discretion of the petitioner. Any person who prevails against a public agency in any action in the courts for a violation of subsections (1) through (5) of this section, shall be awarded costs, including reasonable attorney's fees incurred in connection with the legal action.

This shall not apply to any firearm located in plain view whether it is loaded or unloaded. A firearm may be concealed legally in a motor vehicle so long as the weapon is disassembled or unloaded.

(10) In implementing the provisions of this section on behalf of the state of Idaho, the sheriff shall make applications readily available at the office of the sheriff or at other public offices in his jurisdiction.

(11) The sheriff of a county may issue a license to carry a concealed weapon to those individuals between the ages of eighteen (18) and twenty-one (21) years who in the judgment of the sheriff warrant the issuance of the license to carry a concealed weapon. Such issuance shall be subject to limitations which the issuing authority deems appropriate. Licenses issued to individuals between the ages of eighteen (18) and twenty-one (21) years shall be easily distinguishable from regular licenses.
