724.1. Offensive weapons. An offensive weapon is any device or instrumentality of the following types:

1. A machine gun. A machine gun is a firearm which shoots or is designed to shoot more than one shot, without manual reloading, by a single function of the trigger.

2. A short-barreled rifle or short-barreled shotgun. A short-barreled rifle or short-barreled shotgun is a rifle with a barrel or barrels less than sixteen inches in length or a shotgun with a barrel or barrels less than eighteen inches in length, as measured from the face of the closed bolt or standing breech to the muzzle, or any rifle or shotgun with an overall length less than twenty-six inches.

3. Any weapon other than a shotgun or muzzle loading rifle, cannon, pistol, revolver or musket, which fires or can be made to fire a projectile by the explosion of a propellant charge, which has a barrel or tube with the bore of more than six-tenths of an inch in diameter, or the ammunition or projectile therefor, but not including antique weapons kept for display or lawful shooting.

4. A bomb, grenade, or mine, whether explosive, incendiary, or poison gas; any rocket having a propellant charge of more than four ounces; any missile having an explosive charge of more than one-quarter ounce; or any device similar to any of these.

5. A ballistic knife. A ballistic knife is a knife with a detachable blade which is propelled by a spring-operated mechanism, elastic material, or compressed gas.

6. Any part or combination of parts either designed or intended to be used to convert any device into an offensive weapon as described in subsections 1 to 5 of this section, or to assemble into such an offensive weapon, except magazines or other parts, ammunition, or ammunition components used in common with lawful sporting firearms or parts including but not limited to barrels suitable for refitting to sporting firearms.

7. Any bullet or projectile containing any explosive mixture or chemical compound capable of exploding or detonating prior to or upon impact, or any shotshell or cartridge containing exothermic pyrophoric misch metal as a projectile which is designed to throw or project a flame or fireball to simulate a flamethrower.

Notwithstanding section 724.2, no person is authorized to possess in this state a shotshell or cartridge intended to project a flame or fireball of the type described in this section.

8. Any mechanical device specifically constructed and designed so that when attached to a firearm silences, muffles or suppresses the sound when fired. However, this subsection does not apply to a mechanical device possessed and used by a person solely for the purpose of shooting a deer pursuant to an approved city special deer population control plan if the person has a valid federal permit to possess and use the mechanical device.

9. An offensive weapon or part or combination of parts therefor shall not include the following:

a. An antique firearm. An antique firearm is any firearm (including any firearm with a match-

lock, flintlock, percussion cap, or similar type of ignition system) manufactured in or before 1898 or any firearm which is a replica of such a firearm if such replica is not designed or redesigned for using conventional rimfire or centerfire ammunition or which uses only rimfire or centerfire fixed ammunition which is no longer manufactured in the United States and which is not readily available in the ordinary channels of commercial trade.

b. A collector's item. A collector's item is any firearm other than a machine gun that by reason of its date of manufacture, value, design, and other characteristics is not likely to be used as a weapon. The commissioner of public safety shall designate by rule firearms which the commissioner determines to be collector's items and shall revise or update the list of firearms at least annually.

c. Any device which is not designed or redesigned for use as a weapon; any device which is designed solely for use as a signaling, pyrotechnic, line-throwing, safety, or similar device; or any firearm which is unserviceable by reason of being unable to discharge a shot by means of an explosive and is incapable of being readily restored to a firing condition.

724.2. Authority to possess offensive weapons. Any of the following is authorized to possess an offensive weapon when the person's duties or lawful activities require or permit such possession:

1. Any peace officer.

2. Any member of the armed forces of the United States or of the national guard.

3. Any person in the service of the United States.

4. A correctional officer, serving in an institution under the authority of the Iowa department of corrections.

6. Any person, firm or corporation who under the laws of this state and the United States is lawfully engaged in the improvement, invention or manufacture of firearms.

7. Any museum or similar place which possesses, solely as relics, offensive weapons which are rendered permanently unfit for use.

8. A resident of this state who possesses an offensive weapon which is a curio or relic firearm under the federal Firearms Act, 18 U.S.C. ch. 44, solely for use in the official functions of a historical reenactment organization of which the person is a member, if the offensive weapon has been permanently rendered unfit for the firing of live ammunition. The offensive weapon may, however, be adapted for the firing of blank ammunition.

9. A nonresident who possesses an offensive weapon which is a curio or relic firearm under the federal Firearms Act, 18 U.S.C. ch. 44, solely for use in official functions in this state of a historical reenactment organization of which the person is a member, if the offensive weapon is legally possessed by the person in the person's state of residence and the offensive weapon is at all times while in this state rendered incapable of firing live ammunition. A nonresident who possesses an offensive weapon under this subsection while in this state shall not have in the per-

son's possession live ammunition. The offensive weapon may, however, be adapted for the firing of blank ammunition.

724.3. Unauthorized possession of offensive weapons. Any person, other than a person authorized herein, who knowingly possesses an offensive weapon commits a class "D" felony.

724.4A. Weapons free zones - enhanced penalties.

1. As used in this section, "weapons free zone" means the area in or on, or within one thousand feet of, the real property comprising a public or private elementary or secondary school, or in or on the real property comprising a public park. A weapons free zone shall not include that portion of a public park designated as a hunting area under section 461A.42.

2. Notwithstanding sections 902.9 and 903.1, a person who commits a public offense involving a firearm or offensive weapon, within a weapons free zone, in violation of this or any other chapter shall be subject to a fine of twice the maximum amount which may otherwise be imposed for the public offense.

724.4B. Carrying weapons on school grounds - penalty - exceptions.

1. A person who goes armed with, carries, or transports a firearm of any kind, whether concealed or not, on the grounds of a school commits a class "D" felony. For the purposes of this section, "school" means a public or nonpublic school as defined in section 280.2.

2. Subsection 1 does not apply to the following:

a. A person listed under section 724.4, subsection 4, paragraphs "b" through "f" or "j".

b. A person who has been specifically authorized by the school to go armed, carry, or transport a firearm on the school grounds, including for purposes of conducting an instructional program regarding firearms.

724.5. Duty to carry permit to carry weapons. A person armed with a revolver, pistol, or pocket billy concealed upon the person shall have in the person's immediate possession the permit provided for in section 724.4, subsection 4, paragraph "i", and shall produce the permit for inspection at the request of a peace officer. Failure to so produce a permit is a simple misdemeanor.

724.6 Professional permit to carry weapons.

1. A person may be issued a permit to carry weapons when the person's employment in a private investigation business or private security business licensed under chapter 80A, or a person's employment as a peace officer, correctional officer, security guard, bank messenger or other person transporting property of a value requiring security, or in police work, reasonably justifies that person going armed. The permit shall be on a form prescribed and published by the commissioner of public safety, shall identify the holder, and shall state the nature of the employment requiring the holder to go armed. A permit so issued, other than to a peace officer, shall authorize the person to whom it is issued to go armed anywhere in the state, only while engaged in the employment, and while going to and from the place of the employment. A permit issued to a certified peace officer shall authorize that peace officer to go armed anywhere in the state at all times.

Permits shall expire twelve months after the date when issued except that permits issued to peace officers and correctional officers are valid through the officer's period of employment unless otherwise canceled. When the employment is terminated, the holder of the permit shall surrender it to the issuing officer for cancellation.

2. Notwithstanding subsection 1, fire fighters, as defined in section 411.1, subsection 9, airport fire fighters included under section 97B.49B, emergency rescue technicians, and emergency medical care providers, as defined in section 147A.1, shall not, as a condition of employment, be required to obtain a permit under this section. However, the provisions of this subsection shall not apply to a person designated as an arson investigator by the chief fire officer of a political subdivision.

724.7 Nonprofessional permit to carry weapons. Any person who can reasonably justify going armed may be issued a nonprofessional permit to carry weapons. Such permits shall be on a form prescribed and published by the commissioner of public safety, which shall be readily distinguishable from the professional permit, and shall identify the holder thereof, and state the reason for the issuance of the permit, and the limits of the authority granted by such permit. All permits so issued shall be for a definite period as established by the issuing officer, but in no event shall exceed a period of twelve months.

724.9 Firearm training program.

A training program to qualify persons in the safe use of firearms shall be provided by the issuing officer of permits, as provided in section 724.11. The commissioner of public safety shall approve the training program, and the county sheriff or the commissioner of public safety conducting the training program within their respective jurisdictions may contract with a private organization or use the services of other agencies, or may use a combination of the two, to provide such training. Any person eligible to be issued a permit to carry weapons may enroll in such course. A fee sufficient to cover the cost of the program may be charged each person attending. Certificates of completion, on a form prescribed and published by the commissioner of public safety, shall be issued to each person who successfully completes the program. No person shall be issued either a professional or nonprofessional permit unless the person has received a certificate of completion or is a certified peace officer. No peace officer or correctional officer, except a certified peace officer, shall go armed with a pistol or revolver unless the officer has received a certificate of

completion, provided that this requirement shall not apply to persons who are employed in this state as peace officers on January 1, 1978 until July 1, 1978, or to peace officers of other jurisdictions exercising their legal duties within this state.

724.10. Application for permit to carry weapons - criminal history check required. A person shall not be issued a permit to carry weapons unless the person has completed and signed an application on a form to be prescribed and published by the commissioner of public safety. The application shall state the full name, driver's license or nonoperator's identification card number, residence, and age of the applicant, and shall state whether the applicant has ever been convicted of a felony, whether the person is addicted to the use of alcohol or any controlled substance, and whether the person has any history of mental illness or repeated acts of violence. The applicant shall also display an identification card that bears a distinguishing number assigned to the card holder, the full name, date of birth, sex, residence address, and a brief description and colored photograph of the cardholder. - b. The pistol or revolver acquired is an antique firearm, a collector's item, a device which is not designed or redesigned for use as a weapon, a device which is designed solely for use as a signaling, pyrotechnic, line-throwing, safety, or similar device, or a firearm which is unserviceable by reason of being unable to discharge a shot by means of an explosive and is incapable of being readily restored to a firing condition; or

- d. The person has obtained a valid permit to carry weapons, as provided in section 724.11.
- e. The person transferring the pistol or revolver and the person acquiring the pistol or revolver are related to one another within the second degree of consanguinity or affinity unless the person transferring the pistol or revolver knows

that the person acquiring the pistol or revolver would be ineligible to obtain a permit.

3. The annual permit to acquire pistols or revolvers shall authorize the permit holder to acquire one or more pistols or revolvers during the period that the permit remains valid. If the issuing officer determines that the applicant has become disqualified under the provisions of subsection 1, the issuing officer may immediately invalidate the permit.

The applicant shall also display an identification card that bears a distinguishing number assigned to the cardholder, the full name, date of birth, sex, residence address, and brief description and colored photograph of the cardholder, or other identification as specified by rule of the department of public safety. The sheriff shall conduct a criminal history check concerning each applicant by obtaining criminal history data from the department of public safety. A person who knowingly makes a false statement of material fact on the application commits a class "D" felony.

724.18. Procedure for making application for annual permit to acquire. A person may personally request the sheriff to mail an application for an annual permit to acquire pistols or revolvers, and the sheriff shall immediately forward to such person an application for an annual permit to acquire pistols or revolvers. 6. For the purposes of this section, caliber .22 rimfire ammunition shall be deemed to be rifle ammunition.

7. Access to loaded firearms by children restricted - penalty. It shall be unlawful for any person to store or leave a loaded firearm which is not secured by a trigger lock mechanism, placed in a securely locked box or container, or placed in some other location which a reasonable person would believe to be secure from a minor under the age of fourteen years, if such person knows or has reason to believe that a minor under the age of fourteen years is likely to gain access to the firearm without the lawful permission of the minor's parent, guardian, or person having charge of the minor, the minor lawfully gains access to the firearm without the consent of the minor's parent, guardian, or person having charge of the minor, and the minor exhibits the firearm in a public place in an unlawful manner, or uses the firearm unlawfully to cause injury or death to a person. This subsection does not apply if the minor obtains the firearm as a result of an unlawful entry by any person. A violation of this subsection is punishable as a serious misdemeanor.
